How to make a complaint

At Bath Building Society we are committed to providing the highest level of service to our customers. However, if you feel dissatisfied with any aspect of the service you have received from us, we welcome your feedback. In the first instance, please contact the person with whom you are dealing with, either by telephone or in writing. We can normally resolve the matter straight away. If we cannot, we will tell you how long it will be before we can reply.

If you are not satisfied with the response you receive, please contact one of the following during office hours (9am-5pm).

Acknowledgement

Where possible we will resolve your complaint immediately. If we are unable to do so we will send you a written acknowledgement within five working days of receiving your complaint and keep you informed of the measures being taken to resolve the matter.

Investigation

We will investigate your complaint as a matter of urgency, but in the unlikely event that we have been unable to resolve it within eight weeks we will write to you with our final response.

For complaints about Payment Services (such as faster payments or standing orders etc.) we will provide a final response within 15 working days.

Final response

We shall send you our final response or explain to you the reasons for the further delay and indicate to you when a final response will be made. When you receive a final response from us, we do hope we will have resolved your complaint to your satisfaction.

However, if you are not satisfied you may be able to refer your complaint to the Financial Ombudsman Service (FOS) and, if so, you have six months from the date of our final response to make your referral. If we have not been able to resolve your complaint, we will ask you if you are happy to extend the period by which we can resolve the complaint before you decide to refer the matter to the FOS.

If you're still not happy

If you have a complaint, which we do not resolve to your satisfaction, you can usually refer it to the FOS.
