Each Application Form will initially be reviewed by Kevin Gray and Tiffany Hardie-Albutt of Bath Building Society.

At this point, based upon the application criteria laid out for applicants, the initial applications will be short-listed. The short-listed applications will then be reviewed by the judging panel (made up of the Judges as previously indicated) and winning applicants chosen by majority vote based upon application criteria outlined above and those causes felt will benefit most, both in terms of the charity and the local community.

Hard copies of the application forms will be held on file for a time of three years. After this time the application forms will be destroyed, unless the Charity requests that we return their application forms at an earlier date. Your information will at no point be disclosed to any third parties.
